PALMER CAPITAL INVITES YOU TO BE A PART OF THE LANDAID MONEY MAKER CHALLENGE 2019...

- ▶ Join the property industry challenge to raise money for LandAid.
- ▶ We will give you £250, and the name of the challenge is to turn that money into as much money as possible.
- ▶ You can do this by whatever means necessary; host a games night, climb a mountain, hold a bake sale- it's up to you.
- ▶ You will be competing against other teams across the industry.
- ▶ Palmer Capital will be hosting a results night on Thursday 21st November to reveal the winner of the challenge, along with the final total raised.

In 2018, we raised an amazing c.£25,000!

Contact Beth Coakley at Palmer Capital for more information, or to enter; beth.coakley@palmercapital.co.uk. We look forward to working (well... competing) with you!
